

## Student Council News

We had a great first term and helped organise lots of fun things for our school, including beach day and crazy day for charity. Crazy Day was great we had a lot of fun. We dressed up in very funny or wacky people and the WHOLE school had a conga line in the basketball court. It was a very suitable time as it was the last day before the Hallow'een break!

We were really happy with the Copper collection and silent yard we organised to raise money for St. Vincent De Paul. Senior Infants upwards had a silent yard. It was really cool because in yard it was so quiet you could hear a pin drop!

We will miss Amy, Max and Eric who are not on the the Student Council anymore but we are delighted to have Katie and Oran on the student council this term. We hope they have a lot of great ideas. *Jessica and Jack, 5th Class*
